

Personal Accident Insurance for Polo Players

Introduction

Whether training, competing or at leisure, no one likes to think about sustaining an injury or, worst of all, having an accident.

In a sport such as polo, particularly where horses are involved, the likelihood of having an accident (small or large) is sadly more than likely.

Personal accident insurance

Marsh, the world's leading insurance broker & risk advisor, therefore offers an insurance policy to cater for the needs of NZ Polo members if they have an 'unfortunate incident'.

The premiums are very competitive, the policy wording is broad and it is simple and quick to arrange.

Best of all, a portion of any premiums paid is given back to Polo NZ for personal development & training.
